with the organizational units/sites as listed in the annex
has implemented and maintains an Information Security Management System.

Scope:

The EQS Information Security Management System includes the development and operations of web-based applications. It covers the management of information and key business activities that support the development and operations of these products.

Statement of applicability: SOA V3.0, 05.05.2023

In addition to the DIN EN ISO/IEC 27001:2017 (equivalent to EN ISO/IEC 27001:2013) certification, the locations in scope have adopted and implemented the ISO/IEC 27017:2015 and ISO/IEC 27018:2019 standard as a source for additional controls in the statement of applicability.

Through an audit, documented in a report, it was verified that the management system fulfills the requirements of the following standard:

ISO / IEC 27001 : 2013

Equivalent to: DIN EN ISO / IEC 27001 : 2017
